

Handprint Butterfly Craft

Supplies Needed:

1. Construction paper
2. Popsicle stick
3. 2 googly eyes
4. Scissors
5. Glue
6. Marker or pen

Directions:

1. Trace your hand four times, then cut each handprint out.

2. Glue each set of handprints together. Once you have 2 sets of handprints glued together, glue both sets together making your butterfly wings.

3. Now grab your popsicle stick and glue your two googly eyes on it. Then draw a smiley face on your popsicle.

4. Using glue attach your butterfly wings to your popsicle stick. Once dry, your butterfly is ready to play with

Finger Paint Butterfly

Supplies Needed:

1. Washable Paint
(your choice of colors)
2. Paint brush
3. Paper
4. Paper Plate

Directions:

1. Pour some paint on your paper plate.
2. Place your thumb in your choice of paint color.
3. Then in a straight line place your thumb print on the paper for however big you want your butterfly to be.
4. Then place your left hand in paint or paint your left hand in your choice of paint color to make the butterfly wings.
5. Then place your left painted hand on the paper on the bottom left corner then on the top right corner.
6. Then wash your hands.
7. Place your right hand in paint or paint your right hand in your choice of paint then place your painted hand on top left corner and bottom right corner.
8. Wait for the paint to dry then draw the face and antenna.

Toilet Paper Roll Butterfly

Supplies Needed:

1. Toilet paper roll
2. Construction paper
3. Pipe cleaners
4. Googly eyes
5. Marker
6. Glue
7. Scissors

Directions:

1. Cut one sheet of construction paper to fit the toilet paper roll then glue the fitted construction paper to the toilet paper roll.
2. Cut two hearts for the butterfly wings and then glue the tips together.

3. Glue the butterfly wings to the back of the toilet paper roll.

4. Glue googly eyes to butterfly and draw a smiley face.

5. Make antennas out of pipe cleaner and glue to top of toilet paper roll.
6. Your butterfly is complete!
